Re: Request for Waiver of Filing Fees
Fee Control No. 00000RROG-03-072

Dear Ms. Pace:

This letter responds to your request, dated February 24, 2003, on behalf of Century Cablevision Holdings, L.L.C., and affiliated companies, for a waiver of the filing fees associated with certain station and registration renewal applications to be filed between April 1, 2003 and December 31, 2003.

You recite that each of the subject licensees filed individual petitions for relief under Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court of the Southern District of New York, jointly captioned *In re Adelphia Communications Corporation, et al., Debtors* (Case No. 02-41729 (REG)). You indicate that, over the next several months, the licensees will be required to file renewal applications for numerous stations and registrations in connection with the provision of cable television service. You state that the licensees do not expect to emerge from bankruptcy before December 31, 2003. Given the continued financial hardship facing these licensees and to conserve the time and resources of the Commission and of these licensees, you seek a consolidated, blanket waiver of the upfront payment of the relevant filing fees associated with renewal applications that will be filed between April 1, 2003 and December 31, 2003. You note that these licensees already obtained such relief in connection with renewal applications for licenses and registrations with expiration dates through March 31, 2003,¹ and you seek to extend that blanket fee waiver for licenses and registrations with expiration dates through December 31, 2003. You attach a list of seventy-three affected licenses and registrations with individual filing fees ranging from \$100 to \$220, for a total fee amount of \$10,700.

Section 1.1117 of the Commission's Rules, 47 C.F.R. § 1.1117, provides that filing fees may be waived upon a showing of good cause and a finding that the public interest would be served thereby. *See Establishment of a Fee Collection Program to Implement the Provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985*, 2 FCC Rcd 3558, 3572-73). You have presented information showing that the licensees, on June 25,

¹ See Letter, dated November 7, 2002, from Mark A. Reger, Chief Financial Officer, Federal Communications Commission, to Regina Famiglietti Pace, Counsel, Fleischman and Walsh, L.L.P.

2002 and/or September 30, 2002, filed petitions under Chapter 11 of the Bankruptcy Code in the Bankruptcy Court, Southern District of New York. This filing substantiates your claim of financial hardship and constitutes good cause for extending through December 31, 2003, the blanket waiver of filing fees previously granted to these licensees. *See MobileMedia Corporation*, 14 FCC Rcd 8017, 8027 (1999) (bankruptcy establishes good cause for waiver of filing fees).

Because we are granting your request for advance relief from payment of these filing fees, we direct the licensees to attach a copy of this letter to all of the affected station or registration renewal applications when they are filed and to notify the Commission immediately should the licensees emerge from bankruptcy before December 31, 2003. In the latter eventuality, the waiver will cease to apply and the licensees will be required to make the relevant fee payments.

If you have any questions concerning this letter, please contact the Revenue and Receivables Operations Group at (202) 418-1995.

Sincerely,

**Re: Century Cablevision Holdings, LLC, Debtor-in-Possession *et al.*
Waiver of Filing Fees Pursuant to 47 C.F.R. § 1.1117(a)-(c)**

Dear Mr. Fishel:

Century Cablevision Holdings, LLC, Debtor-in-Possession and the other affiliated companies listed at Exhibit 1 hereto (the "Licensees"), by their attorneys and pursuant to Sections 1.1117(a)-(c) of the Commission's rules, herein seek a waiver of Sections 1.1102, 1.1106, 1.1107 and 1.1117(e) of the Commission's rules with respect to certain FCC license and registration renewals that will be filed within the next several months. On June 25, 2002 and/or September 30, 2002, each of the Licensees filed individual petitions for relief under Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court of the Southern District of New York, jointly captioned In re Adelphia Communications Corporation, *et al.*, Debtors (Case No. 02-41729 (REG)). A copy of the Notice of Commencement of Case Under Chapter 11 of the Bankruptcy Code ("Notice of Commencement") is attached hereto as Exhibit 2.¹ All of the Licensees that requested separate bankruptcy protection are listed in the Schedule

¹ This Notice of Commencement is the most consolidated evidence of the Licensees' bankruptcy filings. Because, as noted above, each of the Licensees filed their own individual bankruptcy petitions, providing each individual Licensee's bankruptcy petition would entail a voluminous amount of paperwork. The Licensees will be happy to provide a sample bankruptcy petition upon Commission staff request. However, the Notice of Commencement should serve as adequate evidence of the Licensees' bankruptcy filings.

Century ML Cable Venture, Debtor-in-Possession separately filed for Chapter 11 protection on September 30, 2002. The Adelphia Communications Corporation Form 8-K dated September 30, 2002 reporting the Century ML Cable Venture bankruptcy filing is attached as Exhibit 3 hereto.

of Chapter 11 Debtors attached to the Notice of Commencement (Exhibit 2) or in Adelphia Communications Corporation's September 30, 2002 Form 8-K (Exhibit 3).²

Over the next several months, the Licensees will be required to file renewal applications for several of their station licenses and registrations in order to continue utilizing those radio facilities in connection with the provision of cable television service to the public. The affected station call signs, locations, licensees (and their FCC Registration Numbers), expiration dates and the filing fees that would normally be due are outlined in Exhibit 1 hereto. This fee waiver request covers all licenses and registrations for which the Licensees anticipate that renewal applications will be filed between April 1, 2003 and December 31, 2003.

The Licensees do not anticipate that they will come out of bankruptcy before December 31, 2003 and herein seek a complete advance waiver of the upfront payment of the relevant filing fees normally associated with such renewal applications in light of the financial hardship the Licensees now face.³ Licensees and their affiliates have already obtained such relief with respect to all renewal applications for licenses and registrations with expiration dates through March 31, 2003.⁴ Accordingly, this request simply seeks to extend the relief already granted to Licensees and their affiliates until the end of the year.

Should the Commission issue an order granting this advance relief, the Licensees would then attach that order to all of the affected station renewal applications as they are filed in order to demonstrate that renewal filing fees are not paid pursuant to Commission order. The Licensees are filing a consolidated, advance request for a blanket filing fee waiver rather than submitting individual filing fee waiver requests with each station renewal application as they are filed over the next several months. This approach should best conserve the time and resources of both the Commission and the Licensees.

² The Schedule of Chapter 11 Debtors (Exhibit 2) includes many other affiliated entities that do not hold FCC licenses or registrations expiring within the next several months.

³ See 47 C.F.R. §§ 1.1102, 1.1106, 1.1107 and 1.1117(e). Should the Licensees come out of bankruptcy prior to December 31, 2003, the Licensees would immediately notify the Commission. The Licensees recognize that any Commission order granting the relief sought herein would immediately cease to apply and the Licensees would then be required to pay the relevant renewal filing fees upfront.

⁴ See Exhibit 4 (November 7, 2002 Letter Ruling from Mark A. Reger, Chief Financial Officer of the FCC, to Regina Famiglietti Pace).

A plan is not effective unless approved by the Bankruptcy Court at a confirmation hearing. Creditors will be given notice concerning any plan, or if this chapter 11 case is dismissed or converted to another chapter of the Bankruptcy Code. The Debtors will remain in possession of their properties and will continue to operate their businesses unless a trustee is appointed.

CREDITORS MAY NOT TAKE CERTAIN ACTIONS. A creditor is anyone to whom the Debtors owe money or property. Under the Bankruptcy Code, the Debtors are granted certain protection against its creditors. Common examples of prohibited actions by creditors are contacting the Debtors to demand repayment, taking action against the Debtor to collect money owed to creditors or to take property of the Debtors, and starting or continuing foreclosure actions or repossessions. If unauthorized actions are taken by a creditor against the Debtors, the Court may penalize that creditor. A creditor who is considering taking action against the Debtors or the property of the Debtors should review Section 362 of the Bankruptcy Code (11 U.S.C. § 362), and may wish to seek legal advice. The staff of the clerk of the Bankruptcy Court is not permitted to give legal advice.

MEETING OF CREDITORS. The meeting of creditors pursuant to Section 341(a) of the Bankruptcy Code (11 U.S.C. § 341(a)) is scheduled for 1:00 p.m. on October 1, 2002 at 80 Broad Street, Second Floor, New York, New York 10004. The Debtors' representative, as specified in Rule 9001(5) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), is required to appear at the meeting of the creditors for the purpose of being examined under oath. Attendance by the creditors at the meeting is welcomed but not required. At the meeting, the creditors may examine the Debtors' representative and transact such other business as may properly come before the meeting. The meeting may be continued or adjourned from time to time by notice at the meeting, without further written notice to the creditors.

PROOFS OF CLAIM/INTEREST. There is no deadline at this time for the filing of proofs of claim or proofs of interest. If the Bankruptcy Court establishes a deadline, you will receive separate notice of such deadline, along with a proof of claim or proof of interest form and instructions.

OFFERS TO PURCHASE CLAIMS. Certain entities are in the business of purchasing claims held by creditors against a debtor for an amount that is less than the face amount of the claims. One or more of these entities may contact you and offer to purchase your claim against the Debtors. Some of the written communications from these entities may be easily confused with official Court documentation or communications from the Debtors. These entities do not represent the Bankruptcy Court or the Debtors. Therefore, you have no obligation to sell your claim to these entities. In the event you do decide to sell your claim, any transfer of such claim is subject to Bankruptcy Rule 3001(e), any applicable provisions of the Bankruptcy Code and any applicable orders of the Bankruptcy Court.

Item 7(c). Exhibits

99.1 Press release dated September 30, 2002 (filed herewith).

Cautionary Statement Regarding Financial and Operating Data

As a result of actions taken by the former management of the Company: (a) the Company has not yet completed its financial statements as of or for the year ended December 31, 2001, or received its independent auditors' report thereon or filed with the Securities and Exchange Commission (the "Commission") its Form 10-K for the year ended December 31, 2001, (b) the Company's former independent auditors, Deloitte & Touche LLP, suspended their auditing work on the Company's financial statements as of and for the year ended December 31, 2001 and withdrew their audit report with respect to the years ended December 31, 1999 and 2000; (c) the Company has not yet completed its financial statements as of and for the three months ended March 31, 2002 or June 30, 2002, or filed with the SEC its Form 10-Q for the quarters ended March 31, 2002 or June 30, 2002; and (d) the Company expects to restate its financial statements for the years ended December 31, 1999 and 2000, and its interim financial statements for 2001 and possibly other periods. Current management took control in May 2002 and has retained new independent auditors and begun the preparation of new financial statements for the periods in question; as a result of certain actions of prior management that the Company has previously disclosed, the Company is unable to predict at this time when such financial statements will be completed. In addition, current management believes that the public information provided by prior management on other matters of interest to investors, such as the Company's rebuild percentage (the percentage of the Company's cable television systems that the Company believes have been upgraded to current standards), was unreliable. As a result, the Company anticipates that it may have to supplement the financial and other information contained in this Form 8-K and that such supplemental information may be material.

Cautionary Statement Regarding Forward Looking Statements

This document includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act") and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). All statements regarding Adelphia Communications Corporation and its subsidiaries' (collectively, the "Company's") expected future financial position, results of operations, cash flows, restructuring and financing plans, business strategy, budgets, projected costs, capital expenditures, competitive positions, growth opportunities, plans and objectives of management for future operations and statements that include words such as "anticipate," "if," "believe," "plan," "estimate," "expect," "intend," "may," "could," "should," "will," and other similar expressions are forward-looking statements. Such forward-looking statements are inherently uncertain, and readers must recognize that actual results may differ from the Company's expectations. The Company does not undertake a duty to update such forward-looking statements.

Actual future results and trends for the Company may differ materially depending on a variety of factors discussed in the Company's filings with the Commission, including its recently filed Current Reports on Form 8-K, the most recently filed Quarterly Report on Form 10-Q, the Form 10-K for the year ended December 31, 2000, and the most recent prospectus supplement filed under Registration Statement No. 333-64224, under the section entitled "Risk Factors" contained therein. Factors that may affect the plans or results of the Company include, without limitation: (a) the Company's filing of a petition for relief under Chapter 11 of the United States Bankruptcy Code; (b) the results of litigation against the Company including the recently filed civil complaint by the Commission and the potential for a criminal indictment of the Company; (c) the lack of substantial cable industry experience among certain members of the Company's senior management; (d) the effects of government regulations and the actions of local cable franchise authorities; (e) the availability of debtor-in-possession financing and surety bonds to support the Company's operations; (f) the results of the Company's internal investigation and the matters described above under "Cautionary Statement Regarding Financial and Operating Data"; (g) actions of the Company's competitors; (h) the pricing and availability of equipment, materials, inventories and programming; (i) product acceptance and customer spending patterns; (j) the Company's ability to execute on its business plans, to provide uninterrupted service to its customers and to conduct, expand and upgrades its networks; (k) technological developments; (l) matters relating to or in connection with the recent bankruptcy filing and proceedings of Adelphia Business Solutions, Inc.; (m) changes in general economic conditions and/or economic conditions in the markets in which the Company may, from time to time, compete; (n) the movement of interest rates and the resulting impact on the Company's interest obligations with respect to its pre-petition bank debt; and (o) the delisting of Adelphia Communication Corporation's common stock by Nasdaq. Many of such factors are beyond the control of the Company and its management.

CENTURY/ML CABLE VENTURE FILES PETITION FOR
CHAPTER 11 REORGANIZATION

Company is a Venture Between Adelphia Subsidiary,
Century Communications Corp., and ML Media Partners, L.P., and Holder
of a Cable Franchise in Levittown, Puerto Rico

Century/ML Cable Remains Committed to Providing Uninterrupted
Cable Service to its 15,000 Customers

Operations of Other Adelphia Systems in Puerto Rico Unaffected

COUDERSPORT, Pa., September 30, 2002 - Adelphia Communications Corporation (OTC: ADELQ) announced today that Century/ML Cable Venture - a holder of the cable franchise in Levittown, Puerto Rico and a New York joint venture between Century Communications Corp., a wholly-owned indirect subsidiary of Adelphia, and ML Media Partners, L.P. - has filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code. The petition was filed today in the U.S. Bankruptcy Court for the Southern District of New York.

Company Committed to Continuing Operations with No Interruptions in Service

Century/ML Cable Venture (CMLCV) remains committed to continue providing cable entertainment and services to its 15,000 customers in the communities of Toa Baja, Toa Alta and Catano. CMLCV expects that all post-petition obligations to local franchise authorities, vendors, employees and others will be satisfied in the normal course of business.

The joint venture, Adelphia and Century Communications, which holds a 50% interest in and manages the joint venture, are currently involved in litigation with the other venture partner, ML Media Partners.

"After carefully considering all of our options, we concluded that Chapter 11 protection would protect our creditors and allow for an orderly resolution of the litigation related issues facing the joint venture while enabling us to continue to provide quality service to our 15,000 customers," said Century Communications Vice President and Treasurer Chris Dunstan, who also serves as Executive Vice President and Chief Financial Officer

of Adelphia. "The business is fundamentally sound and substantially current on its obligations to its vendors, and we expect to emerge from the proceedings fully able to maintain operations going forward."

CMLCV Employees to Continue to Receive Wages and Benefits

All of CMLCV's 18 current employees will continue to receive their wages, as well as health and welfare benefits, subject to Bankruptcy Court approval. The Company also has the resources to carry on day-to-day operations and will pay local franchise authorities and its vendors for post-petition obligations in the normal course of business.

Operations of Other Adelphia Systems in Puerto Rico Remain Unaffected

The subsidiary of CMLCV, Century-ML Cable Corporation, will not be affected by CMLCV's Chapter 11 filing. Cable services to Century-ML Cable Corporation's 130,000 customers in San Juan, Bayamon, Carolina, Guayanabo and Trujillo Alto will not be impacted by today's filing.

Congress enacted Chapter 11 to encourage and enable a debtor business to continue to operate as a going concern, to preserve jobs and to maximize the recovery of all its stakeholders.

Adelphia is represented in its Chapter 11 cases by Willkie Farr & Gallagher.

Re: Request for Waiver of
Filing Fees
Fee Control No. 00000RROG-02-078

Dear Ms. Pace:

This letter responds to your request for a waiver of the filing fees submitted on behalf of Parnassos, L.P., Debtor-in-Possession, and affiliated companies, in connection with license renewal applications to be filed within the next several months.

You recite that on June 25, 2002, each of the subject licensees filed petitions for relief under Chapter 11 of the United States Code in the United States Bankruptcy Court of the Southern District of New York as part of the Adelphia Communications Corporation bankruptcy proceeding. You state that these licensees will be required to file numerous renewal applications between now and March 31, 2003 for station licenses and registrations in connection with the provision of cable television service. Additionally you state that the licensees do not expect to emerge from bankruptcy prior to March 31, 2003. In order to conserve time and resources for the licensees and the Commission, you request a consolidated, blanket fee waiver for all these renewal applications. You attach a list of sixty-five affected licenses and registrations with individual filing fees ranging from \$100 to \$220, for a total fee amount of \$10,790.

Section 1.1117 of the Commission's Rules, 47 C.F.R. § 1.1117, provides that filing fees may be waived upon a showing of good cause and a finding that the public interest will be served thereby. See Establishment of a Fee Collection Program to Implement the Provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, 2 FCC Rcd 3558, 3572-73 (1990). You have presented information showing that on June 25, 2002 the affiliated licensees filed petitions under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court, Southern District of New York. This filing substantiates your claim of financial hardship and demonstrates good cause for waiver of the filing fees. See MobileMedia Corporation, 14 FCC Rcd 8017, 8027 (1999) (bankruptcy establishes good cause for waiver of filing fee).

Regina Famiglietti Pace

2.

Because we are granting your request for advance relief from payment of these filing fees, we direct the licensees to attach this letter to all of the affected station renewal applications when they are filed and to immediately notify the Commission should the licensees emerge from bankruptcy prior to March 31, 2003. In the latter eventuality, the relief granted herein will cease to apply and the licensees will be required to make the relevant fee payments.

If you have any questions concerning this letter, please contact the Revenue and Receivable Operations Group at (202) 418-1995.

Sincerely,
